2. Peon Gaikwad had applied for 7 days casual leave but was granted 6 days C.L. from 26-1-43 by Secy. as he had Court work at Nasik. The peon was informed accordingly. He was due on 1-2-43. As he did not attend on that day, he was informed that his absence from 1st to the date he joins will be treated as leave without pay. In the meanwhile he sent a p.c. applying for four days' extension of casual leave as his court work had not finished. As per verbal orders of Secretary he was further informed by a telegram on 3/2 that he should join immediately or else his period of absence from the beginning would be counted as leave without pay. He joined to-day the 8th instant and a post card written by him on 5th February stating that his wife was down with fever and that he may be given further three days' leave has also been received to-day. His total period of absence from 26th Jan. to 7th Feb. 1943, amounts to 13 days. It is therefore for orders as to how it should be treated.

2. The peon was absent from 26th Jan. to 7th Feb. 1943, i.e. for 13 days. He has got 10 days' ~~casual~~ earned leave to his credit.

3. Casual Leave cannot be prefixed or affixed to leave of any discription.

4. Extraordinary leave can be granted to any Govt. Servant in Spl. circumstances and during that period he is not entitled to any leave ~~salary~~ (vide rr 14(1) and 18(2) of Affix XLIV-A- B.C.S. Rs. Vol. II). Under ~~rule~~ 14/3, of the said Rules, authority empowered to grant leave may commute retrospectively ~~some~~ periods of absence without leave into extraordinary leave.

Sd/- 17/12

The peon was absent for 13 days. The ~~casual~~ earned leave due to him is 10 days. Under Rule 14(1)(a) extraordinary leave (leave without pay) is to be granted when no other leave is by rule admissible. Perhaps the 10 days leave may be treated as ~~casual~~ earned leave and the remaining 3 days as extraordinary leave.

Sd/- 18/2

~~S.A.O.~~ The objection raised by D.S. is valid. "A" may be done

Secy.

I am not satisfied with Gaikwad's explanation, he should not get off lightly on account of technical difficulties regarding leave rules. It should be ~~required~~ verified from the Clerk of the Nasik Court whether Gaikwad's presence was necessary and if so on what days.

Sir,

With reference to your memorandum No. 1555 dated 2nd March 1943, I have the honour to state the following facts for your information.

Miscellaneous Application No. 131 of 1942 is pending on the file of the Joint Sub-Judge, Nasik, and not in the District Court. It was fixed for hearing on 29th January last and I understand that Sitaram Gaikwad had accompanied his wife to Court that day. Venubai wife of Sitaram made a deposit of Rs.30/- along with an application and the matter had been adjourned for further hearing to 26.2.1943.

From the facts stated above, it will appear that Sitaram G. Gaikwad had no reason to be away from duty for the entire period referred to in your memorandum.

Office of the Accountant General, Bombay.

I am sorry to have to return the papers for further examination in the Finance Department. In continuation of my conversation with the Secretary, Finance Department, I should like to point out that it was the duty of the Legislative Department to take steps to reduce expenditure on account of the Legislative Assembly Office in various directions as soon as the constitution was suspended and the work conducted on a different basis.

2. X X X

3. X X

4. I should also like to point out that the Finance Department should be satisfied as to whether adequate orders have been issued reducing the staff of the Legislative Council during the period of the suspension of the constitution. I understand that the surplus permanent staff is being utilised in other departments in the expectation that they may be available as and when the constitution is restored. It would however be more desirable to fix the staff of the Legislative Department under the suspended constitution so that my office could have for audit purposes, the information as to the strength of the staff which is the legitimate charge to the Legislative Council Department during the suspended constitution and that which is surplus to requirements.

4. Para 1 of A.G's note. It will appear from the notes at pp. 17-30 of L.D. file, No. Est. II/L.C.-1940 that steps were taken to reduce the expenditure as far as possible on account of L.A. and L.C. office staff after the suspension of the c onstitution and to utilise their services in the best manner possible. The suggestion in para. 1 of the A.G's note that no steps were taken in this behalf is not, therefore, fair.

The Proclaimation under section 93 of the Govt. of India Act was issued by the Governor on 4th November 1939. Immediately thereafter orders of Govt. were obtained as to how the staff of the L.A. and L.C. offices should be utilised. (Please vide note dated 2-11-1939 slippled A). It was decided that with the exception of one Assistant and one clerk, the rest of the staff should not be disturbed for a period of six months at least as the staff was absolutely necessary to attend to the following work:-

(1) routine arrears of work
(2) editing and indexing of the Assembly and Council debates.
(3) preparation of the Digest of Rulings of the Chair
(4) preparation of an index, after sorting out the old record and destroying the unnecessary papers.

One Assistant and one clerk were accordingly sent to L.D. where the work of indexing and sorting out of the record was in arrears and badly required the assistance of additional staff.

In May 1940 the question was again consid- and Govt: orders were obtained. It

55/60 (AAA) (CC)

to utilise the services of 1 senior Asstt., 1 Jr. Asstt. and one or two clerks in L.D. in connection with the work of Revision of the Local Rules and Orders. (Vide para 2 of Secy. L.D's note dated 13-8-1940). The rest of the clerical staff was required for the classification and compilation of the records.

As regards the four regional language reporters it was decided that their services may be utilised in other Departments either as typists or personal assistants to Secretaries or as Jr. Asstt. in leave vacancies.

In December 1940 the position was again reviewed and orders of Govt. were obtained to the retention of the following staff in the Assembly and Council offices for the normal routine office work:-

1 Asstt. Secy.
1 Jr. Asstt.
1 Cashier.
1 Reporter.
1 Steward.
1 Librarian.

It was also decided to make the services of the Jr. Supdt. and the clerk available to L.D. in connection with the classification and compilation of L.D. records.

Since June 1941 the following persons have been transferred to H.D.(A.R.P.):-

1 Jr. Supdt. (who was made available to Legal Deptt).
1 Sr. Asstt. (from L.C.Office)

1 Jr. Asstt.
1 Clerk (from L.C.Office)
1 Reporter (working as stenographer to Jt. Secy. H.D.(A.R.P.))

and the Assistant Secretary is also doing work as Assistant Secretary H.D.(A.R.P.) in addition to his duties.

As regards the inferior staff also orders of Govt. were obtained and it was decided that whenever possible

P.T.O.

The peons should be made available to other departments in leave vacancies. (Please vide para. 10 of D.S. L.D's note dated 2-12-1940, p. 71 of L.D.File Estt. L.C./40).

There are 9 English Reporters including the Chief Reporter. Out of these, two are working as P.As to Advisers and are being paid by S.D. One was acting as P.A. to Secy. F.D. for some time and was later on transferred to the Cotton Textiles Directorate. Another reporter was also transferred to the Cotton Textiles Directorate for a few months and has only recently returned to this office. One reporter was reverted to his original post of clerk in the District Court of Bijapur and thetwo vacancies caused by the retirement of Mr. Kaikini and Mr. Sitaraman are not filled. There are now three reporters in the Assembly office. One of them works as stenographer to Jt. Secy. H.D.(A.R.P.). One is occasinnally required by the H[illegible]. and the third one is required to do all the typing work of the office, as there are no typists in this office. The services of the reporters are very frequently requisitioned by other departments andn officers for reporting and they are, therefore, kept busy.

No leave vacancies are filled in the L.A. and L.C. offices whenever persons go on leave and the posts of reporters rendered vacant by retirement of three reporters are also not filled.

Besides the A.S., the following staff only is at present working in the L.A. and L.C. offices:-

2 Reporters.
1 Regional language reporter.
1 Librarian.
1 Cashier.
1 Steward.
and the inferior staff.

This staff is absolutely necessary. It will then be seen that steps were taken to reduce theexpenditure in the following ways:-

(1) 1 Reporter was sent back to his former office in the District Court of Bijapur.

(2) 2 posts of reporters rendered vacant by the

L.V.G./2

retirement of two reporters have been kept vacant.

(3) No leave vacancies are filled in whenever persons go on leave.

(4) Peons are made available to other Deptts. in leave vacancies, as a result of which there is saving to Govt.

(5) Regional language reporters are also made available to other departments as Jr. asstt., in leave vacancies, as a result of which there is saving to Govt.

(6) The L.A. and L.C. offices did not move to Poona during the Poona Season of 1940 and 1941.

(7) 7 persons have been transferred to other Deptts., by whom they are paid.

Para 4 of the A.G's note:- The L.D. notes at pp. 17-71 of L.D. file No. Est.II-L.C./40 may be shown to F.D. for information.

The papers may be returned to F.D. through L.D.

Legal Department.

As regards paragraph 1 of the Accountant Generals note this Department had already taken steps to reduce the expenditure of Legislative Assembly and Legislative Council Offices by distributing surplus staff to other Departments and this position has been explained at length in the Legislative Assembly Office note. The orders according to which some of the peons were made available to other Departments in leave vacancies have since been cancelled as these peons have been made available for attending on the Hon. the President and the Hon. the Speaker as per H.E. 's orders. (Please see

Legal Department Circular No. 4587, dated 3rd June 1942.

2. As regards paragraph 4 of the Accountant General's note the actual staff working in Legislative Assembly Office proper (besides the Assistant Secretary) is as follows:-

Reporters	2	(Messrs. Savekoor and Deshmukh)
Regional Language Reporter.	1	(Mr. Kalghatgi)
Senior Asstt.		(Mr. Nanu)
Cashier		(Mr. Kadri)
Steward and the Inferior staff.		(Mr. Sabnis)

The remaining staff is allotted to the other Departments in consultation with this Department.

Submitted with reference to the office note dated 23rd April 1942.

2. Paras 2 and 3 of A.G's note dated 22-4-1942.

The L.A.Office states that the mistake in not getting the cooling plant disconnected before was primarily of that office and partly of P.W.D. in as much as it was the duty according to L.A.Office note of the Sub-overseer who on behalf of P.W.D. is responsible for the maintenance and working of the cooling plant, to advise the L.A.Office when have it disconnected, if and when not required. It is not known whether anybody in L.A.Office was specifically in charge of the cooling plant. It will also be necessary to refer these papers to P.W.D. with reference to portion marginally marked "A" in A.G's note dated 22-4-1942. The L.A. office may therefore be requested to elucidate the position and return the pp. through P.W.D.

3. Para 4 of A.G's note dated 22-4-1942.

The A.G. has raised the following two points:-

(i) the F.D. should be satisfied as to whether adequate orders have been issued reducing the staff of the L.A. and L.C. offices during the period of suspension of the constitution; and

(ii) to fix the strength of the staff of the Legislative Deptt. under the suspended constitution for audit purposes.

As regards (i) above the staff of the L.A. and L.C. offices before the suspension of the constitution and the staff as gradually reduced after and owing to suspension is shown below:-

Original Staff.	Reduced staff.
1 Asstt. Secy.	1 Asstt. Secy.
1 Jr. Supdt.	1 Sr. Asstt.
2 Sr. Asstts.	1 Cashier.

P.T.O.

1 Jr. Asstt.	1 Steward.
3 Clerks.	3 Reporters.
1 Librarian.	7
1 Steward.	
1 Chief Reporter.	
12 Reporters.	
23	

Inferior staff:-

Original staff.	Reduced staff.
4 Chobdars.	4 Chobdars.
8 Peons.	8 Peons.
4 Hamals.	4 Hamals.
2 Sweepers.	2 Sweepers.
1 Watchman.	1 Watchman.
2 Malis.	2 Malis.
21	21

As regards the superior staff we may agree that strength at present retained is the minimum and no further reduction is possible. So far as the inferior staff is concerned there can be no question sparing the hamals, sweepers, watchman and malis as these are required for the Council and Assembly buildings. Of the remaining staff of 4 chobdars and 4 peons it was decided by Govt. that only 4 chobdars and 4 peons (used for attendance on the Hon. Speaker and the Hon. President) could be spared. Subsequently under H.E's orders these 4 chobdars and 4 peons have been made available for attendance on the Hon. Speaker and the Hon. President even during the period of suspension of the constitution. No inferior servant can, therefore, now be spared for service in other Deptts.

With reference to the second point raised by the A.G., the L.D. may be requested to formally fix the strength of the L.A. and L.C. offices as shown in column 2 above and to inform the A?G. accordingly.

for the Legislative Council and Legislative Assembly consequent on the suspension of the Constitution is awaited and may be kindly expedited.

3. It may be pointed out here that the number of reporters as per the latest salary bill viz. for May 1942 is 3.29 instead of 3 as shown at the foot of page 14 of the Finance Department notes dated 29-6-1942. Besides the post of Junior Superintendent and Junior Assistant for whom pay has been drawn in the above bill are not mentioned in the above note.

4. A draft para for the Appropriation Report regarding the avoidable expenditure on electric energy for the Cooling Plant is herewith enclosed for the information of Government and early return with remarks, if any.

5. In this connection it has since been noticed that the expenditure on the provision of telephones for the use of Hon'ble the Speaker and the Hon'ble the President is being incurred even after the suspension of the Constitution. As the officers are not functioning, the justification for the expenditure is not apparent and the total expenditure thus incurred may please be stated. It would further appear that the inferior staff intended for these two posts are still being continued in service. The necessity for this may be examined and final orders issued. It would then be possible to determine finally what expenditure has been discontinued in the Legislative Assembly Department, after the suspension of the Constitution.

P.T.O.

A detailed statement showing how the above staff is distributed and where their pay is drawn is attached herewith.

3. So far as the Regional Language Reporters are concerned their services are lent to the several departments of the Secretariat under orders of Govt. as Junior Assistants in leave vacancies and when there are no such vacancies they revert to this office. As regards the English reporters also their services are placed at the disposal of other departments for recording proceedings of the several committees appointed by Govt. from time to time.

For the reasons given in P. & S.D. u.r. dated 6-7-40 (pps 53-56 of L.D. file No. Estt. II L.C.40), it has been decided by P.& S.D. in consultation with L.D. and F.D. that the expenditure in respect of staff temporarily lent by the Legislative Assembly and Council offices to other departments of the Secretariat should be paid from the grants of the Legislative offices and not debited to the departments to which the staff is lent unless the staff is required to be transferred. Although this decision was taken in connection with the services of Regional Language Reporters lent to other departments, it seems to apply as well to the other clerical staff temporarily lent to other departments of the Govt. and accordingly the pay of Mr. Acharekar who is at present officiating as Jr. Supdt. (vide F.D. orders dated 24-4-42) and doing the work of the Revision of Local Rules and Orders for L.D. (Please vide A.I's orders at p.26 of L.D. file Estt. II.L.C./40) and Mr. Damle who is offg. as Jr. Asstt and at present assisting Mr. Acharekar in the work of the Revision of Local Rules and Orders as also the pay of some of the Reporters whose services have been temporarily lent to other departments have been drawn in these offices. A.G's attention may be invited to the orders referred to above.

Para 4 of F.D. U.O. and A.G's U.O.

Para 4 of F.D.U.R. and A.G's U.R.

This office has no further remarks to offer. No particular person from this office was specifically in charge of the cooling plant.

Para 5 of F.D.U.R. and A.G's U.R. The question was specifically considered by Govt. and it has been decided by H.E. that the H.P. and the H.S. should be provided with telephones both at their offices and at their residences. Accordingly H.P. has been provided with telephones at his office and residence. As the H.S. resides at Ahmedabad no telephone is required for him for the present. The total charges incurred on the telephones for H.P. during this year amount to Rs. 280-13-0. It has been further decided that the inferior staff attending on H.S. and H.P. should continue to attend on them even during the suspension of the constitution. Therefore the expenditure on account of telephones and inferior servants attending on H.S. and H.P. cannot be curtailed.

3. The L.C.Office's plea is that the plant was never disconnected since 1939. Also since 1936-38 for nearly 21 months the plant was allowed to continue though the Sessions never lasted for over 6 weeks at a time. It was, therefore, considered from the long-standing practice that the plant was permanent fixture and did not require to be disconnected. The members of the Legislature continued to draw their salaries until June 1940. It was not therefore thought necessary that the plant required to be disconnected. Besides, they allege that it was partly the fault of the P.W.D., as presumably it was the part of the Sub-overseer's duty also to advise the L.C. office to have the plant disconnected after each Session, specially as he is a technical expert.

4 The A.G. has again pointed out that orders should be passed by the P.D. reducing the staff of the L.C. during the period of the suspension of the constitution. The L.A. office now reports that the staff has been absorbed in the various departments of the S ctt . The papers may be referred to the El. Engr. to Govt. for remarks in the first instance.

It will be seem from the above that though the reduced staff numbers 8, the actual staff of the L.A. and L.C. is 6 only as two men are doing L.D. work but are drawing their pay in L.A. office as already agreed to by this Deptt. in consultation with the P. & S.D. The reduced staff of the L.A. and L.C. offices will then be -

3 Reporters.

The statement prepared by the L.A. office and its note may be shown u.o. to the A.G. On return the L.A. may be requested to issue orders sanctioning temporarily, the reduction in its staff as desired by the A.G.

2. So far as the Air Conditioning Plant is concerned please see the note dated 26th August 1942 by the El.Engr. to Govt. It is clear from his note that this plant cannot be kept idle for any length of time. It has to be run periodically (atleast once a month to avoid deterioration. Otherwise it has to be dismantled. The dismantling and refitting charges were Rs. 500 in the pre-war days. The minimum electricity charges which are required to be paid amount to Rs. 31 p.m. or Rs. 372 per year. Thus dismantling and refitting which involved Rs. 500 was not a step financially beneficial to Govt. in pre-war times. Much less it is so now when the cost will be more than Rs. 500/-. The explanation given by the El. Engr. appears quite convincing and viewed from that point the dehumidifying plant at the Assembly Hall, Bombay, cannot be said to involve avoidable loss. The El. Engr's note which has been accepted by the P.W.D. may be shown to the A.G. The draft para. for the Appropriation Report may be returned to the A.G. with a request to modify it in the light of the explanation given by the El. Engr.

Not quire correct. Dismantling & refitting will cost Rs. 500/- whereas not doing so will mean Rs. 372/- p.m. & for 4 years it is Rs 1488. Id/--

Yes. Id/--

3. The El. Engr. has separately applied for sanction to connect the plant. As it is in the interest of the plant to keep it in running order as early as possible, F.D. need not object to the connection.

I think F.D. need not object d/--

4. The A.G. had in his u.o. note of 13-7-42 raised the question of sanction to the reduced staff for the L.A. and L.C. Offices. The position is follows:-

Original staff	Reduced staff	Remarks.
1 Asstt. Secy.	1 Asstt. Secy.	Engaged 75% on H.D.(A.R.P.) work.

2 Chobdars
1 peon

A The services of chobdars and peons for Hon'ble President and Hon'ble Speaker have been retained under H.E's orders.

6. It appears that since the A.S., L.A. is engaged mostly on H.D.(A.R.P.) work a peon must have been appointed in that office to work with the A.S. and there would appear to be no necessity for a peon in the L.A.

I agree to this remark.
Id/--
15/10

Similarly, 3 peons for a staff of members would also appear superfluous. The L.D. may consider whether one peon will not suffice. The standard laid down is 1 peon for 6 members.

Yes,

7. Two telephones (one for office and one for residence) are sanctioned for H.P. only. The

B expenditure amounts to Rs. 280-13-0. These telephones have also been allowed under H.E's orders. The telephones may be retained.

8. These papers may now be shown u.o. to the A.G.

2. In view of the Electrical Engineer's u.o. note dated 26-8-42, it has been decided not to include a para in the appropriation Accounts. It may, however, be pointed out that the orders to disconnect the plant in February 1942 would, in the circumstances now mentioned appear to have been uneconomical in view of the Electrical Engineer's note quoted above. Attention is further invited to Electric Supply Tariff given in Form "B" of the B.E.S. 'T. Co., according to which special rates can be fixed for electrical motors, etc, kept for "standby purposes". The Electrical Engineer may, therefore, be asked to approch the B. Electric S.CO., with a view to a reduction in the monthly minimum charges payable to the company for the cooling plant, pointing out to them how the plant is not worked regularly but is only worked for a short period every month to keep it in good trim.

3. The object of the audit criticism on the Electric plant will be secured if the arrangements are now put on the most economical basis. The final decision in this case may be communicated officially.

4. As regards reduction in the staff, the following statement shows the staff of the Legislative Assembly and the Legislative Council Departments paid in October 1939 and that paid in October 1942.

Out of the superior staff of 11 on duty in October 1942, 6 are working inother departments. The Junior Superintendent and Junior Assistant are doing Legal Department work and 4 Reporters are working in other departments, yet they are drawing their pay in Legislative Assembly Office. As these men are working in other departments, it seems justifiable to debit their pay to the departments concerned in which they are actually working.

5. It is suggested that to prevent misallocation of charges and ensure correct accounting, a formal transfer of the posts may be effected. It has been pointed out that the services of the menial staff for the Hon'ble the Speaker and the Hon'ble the President have been retained under the orders of H.E. As neither the Legislature nor the above officers are functioning at present and as the circumstances and the scope of official work of the two officials have undergone recent changes it is for consideration whether H.E. the Governor should not be moved to reconsider his orders concerning the above staff.

6. It is also for consideration whether the full strength of the hamals is absolutely necessary for the Council Department after it absolutely necessary for the Council Department after it has ceased temporarily to function. Formal orders reducing or formally transferring the staff may please be issued in the light of the above remarks.

It has been decided to keep the cooling plant in running order and accordingly the Electrical Engineer has written to the B.E.S. & T. Co. to reconnect the plant. But the A.G. desires that the Electrical Engineer should be asked to approach the B.E.S. & T.Co. with a view to a reduction in the monthly charges payable to the Company for the plant (vide para. 2 of A.G's remarks).

3. As regards reduction in the staff in the L.A. and L.C. Offices, the A.G. says that some of the members of the staff though paid in this office are working in other offices and Deptts. and it seems justifiable to debit their pay to the Deptts. concerned in which they are actually working.

4. As regards inferior staff the A.G. suggests that as the Legislature is not functioning and as the scope of official work of H.S. and H.P. have undergone recent changes, whether H.E. the Governor should not be moved to reconsider his orders about the Chobdars and Sepoys attached to H.S. and H.P.

A.G. has raised the following points:-

(1) That formal orders reducing or formally transferring the unnecessary staff should be issued;

(2) that H.E. may be requested to reconsider his decision about the Chobdars and Peons attached to H.S. and H.P; and

(3) whether the full strength of the Hamals is necessary so long as the Legislature is not functioning and whether any reduction is possible.

As regards point (1):-

The following staff which is the barest minimum and absolutely necessary is at present working in the L.A. and L.C. Offices:-

(1) Senior Assistant & Librarian (Mr. Nanu).

(1) Clerk & Cashier (Mr. Kadri).

(1) Steward (Mr. Sabnis).

(1) Regional Language Reporter (Mr. Noor Mohammad).

The rest of the staff is working in other Departments. Persons mentioned in list A are working and drawing their pay in those Departments. Person mentioned in list B are working in other Deptts. but drawing their pay in the L.A.Office.

L.D. may consider whether persons mentioned in list B should be formally transferred to the Deptts. concerned as suggested by A.G. and should issue the necessary orders so that they may draw their pay in those Deptts.

Mr. Patel, Junior Superintendent, who

P.T.O.

had been transferred to H.D. (A.R.P.) in December last is on 4 months leave now and it is understood will revert to L.A.Office at the end of his leave in early March next. The question as to where he should work may be considered after he resumes duty.

As regards point (2):

Orders of H.E. are being obtained and will be communicated to L.D. on receipt. The Chobdars cannot be sent to other Deptts. to work as Peons and there are very few posts of Chobdars in the whole of the Secretariat. It is understood that the Advisers have got two Chobdars each and the Chief Secy. has got one Chobdar. It seems, therefore, that it might be difficult for the Sectt. Deptts. to accommodate the Assembly and Council Chobdars even assuming that H.E. agrees to their transfer. But P. & S.D. may be able to help especially in view of the new post of the fourth Adviser which may require two additional Chobdars.

There are 8 Peons in all including the two assigned to H.S. and H.P. One peon has resigned. The allocation of the 7 peons is as follows:-

1 Secy. L.C.
1 Secy. L.A.
1 Asstt. Secy.
4 Office.

2 peons are absolutely necessary for office. One will not be sufficient. If there is only one peon and if he is on casual leave for a any reason there would be no body to work in his place. The standard of one peon for 6 persons will apply only when there are more than 6 persons and at least two or more peons. L.A. office can, therefore, spare only 2 peons for transfer

K.V.G./26-5. 4C.

to other Deptts. L.D. may consider whether they should be transferred.

As regards point (3):

The full strength of the Hamals is necessary. There are 4 Hamals. The Council Hall Buidding is a huge building and has been occupied by the A.R.P. Offices. The whole building has therefore to be swept daily and kept clean. Besides this the Assembly Hall and the furniture kept therein have to be dusted properly from time to time. The four Hamals are, therefore, fully occupied and no reduction is possible in them.

F.D. has remarked that no peon is necessary for A.S. from L.A.Office as he may be getting one from the H.D.(A.R.P.) where he is mostly working.

As regards this remark it may be stated that the A.S. is not getting the services of a peon from H.D. He has got only one peon and that from L.A. Office. Under the rules when an officer is working in dual capacity he is not entitled to two sets of peons. In accordance with this rule the A.S. is using one peon and that from L.A.Office.

With regard to the staff of the L.A. serving in other Deptts. as shown in statement B, the A.G. has suggested that the question of transferring the staff to the Deptts. concerned should be considered. The E.D. is concerned with two reporters Messrs. B.S.Deshmukh and T.B.Randeria serving under the Maharashtra University Committee. As the committee is to submit its report by the end of March 1943, the services of the reporters will be required only for a short period. In the circumstances, it does not seem worth considering the question of transferring the staff to this Deptt.

With reference to the Legal Department Memorandum No. 487, dated the 20th January 1943, that Department is informed that what this office agreed to in the case of Mr. Savakoor was not his "transfer" but deputation pending further orders. So far as can be foreseen at present, Mr. Savakoor will revert to his permanent appointment in the Assembly Office on return from leave of the permanent incumbent in whose vacancy he is officiating. This may be made clear to all concerned.

2. The question at issue is as regards members shown on p. 41 ante only.

3. The Secy. to the Governor had no objection to paying Mr. Savakoor from 1st January 1943. E.D. has agreed to take upon their establishment Messrs. Deshmukh and Randeria and that Deptt. asked this Department to transfer their services. Accordingly the services of Messrs. Deshmukh, Randeria and also of Mr. Savakoor were transferred. The orders were therefore issued on the understanding that posts for these persons will be created by the respective offices concerned (Pl. see in this connection E.D.G.R.No. 5398, dated 30-1-43). The Secy. to the Governor has now written to say that he agreed to take Mr. Savakoor on deputation till the return from leave of the permanent incumbent in whose vacancy he has been officiating. It was therefore deemed necessary to clarify the position so far as Mr. Savakoor only was concerned. New general orders can be issued as regards members shown on p.39 ante. The position has to be made clear so far as persons affected by memo. No. 457, dated 20-1-43, are concerned and as such a revised draft memo. was put up. (p.61 ante). But as there are specific orders in regard to the retransfer of Messrs. Deshmukh and Randeria (vide para. 2 of E.D.G.R.No. 5398, dated 30-1-43), perhaps the original draft so far as Mr. Savakoor is concerned may now issue.

4. As regards the query contained in the penultimate sentence of DS's note, it is stated that --

> An officer is said to be "on deputation" when he is detached on special temporary duty for the performance of which there is no permanently or temporarily sanctioned appointment, and a "transfer" means the movement of a Government

No. 3642

To
The Accountant General

Subject :- Establishment in the Legislative Assembly and Legislative Council Offices.

Your letter No. D.A. II-Proxy/6350, dated the 26th March 1943 addressed to the Secretary to the Legislative Assembly, Bombay. The following points were raised by you:-

1) that Government is now satisfied that no further economies in the running of the cooling plant are possible and that on this assumption the draft para has been dropped;

2) that fromal orders reducing or transferring the unnecessary staff are issued;

3) that His Excellency may be requested to reconsider his decision about the chobdars and peons attached to the Hon'ble the Speaker and the Hon'ble the President and

4) whether the full strength of the hamals is necessary so long as the Legislature is not functioning and whether any reduction is possible.

2. I am directed to reply you as follows:-

(a) With regard to (1) above, the presumption made by you is correct.

(b) With regard to (2), orders transferring the staff were issued wherever necessary.

(c) With regard to (3), the decision has since been modified and two chobdars and one peon have been allotted to work in the Separate Department under the 4th Adviser.

(d) With regard to (4) the Council Hall building is a huge building and is occupied by the A.R.P. and allied offices. It is quite essential to sweep and keep it clean. Besides this the Assembly Hall and the furniture kept therein has to be dusted properly from time to time. For doing all this, it is quite essential to keep the four hamals and no reduction in their strength possible.

3. Lastly I am to add that it has been decided to retain the following minimum staff for the Legislative Assembly and Legislative Council Offices:-

1 Senior Assistant,
1 Clerk and Cashier,
1 Steward,
1 Regional Language Reporter.

Excluding the above staff, the other staff is utilised by transfer to other Departments as far as possible. But under such an arrangement, it is inevitable that on occasion some of them revert to the parent office for

want of vacancies elsewhere, and for a short period till another vacancy arises.

Subject:- Establishment of the Maharashtra University Committee.

Sir,

I have the honour to say that I expect to receive orders from you, at an early date, in the matter of continuance of the appointment of the establishment of the Maharashtra University Committee, for the extended period ending June, 1943.

Certain unexpected difficulties have cropped up in the case of two members of the establishment, and it is necessary to take certain emergency measures in order to get over them.

For the next fortnight i.e. almost to the end of of the first week of May, the Committee's work will be carried on in Poona, and the services of the reporter and the stenographer will be required at that place. Both of them, unfortunately, will not be available during this period of pressing work. Mr.Deshmukh, the reporter, was granted leave for 9 days, in view of the very serious illness of his daughter, and was asked to reprt himself on duty on the 14th April. (vide copy of letter dated 10-4-43 from the Secretary, Legislative Assembly,B'bay). He failed to do so, and instead has put in an application for extension of leave. I also understand that the Departmental inquiry into his conduct is going to start on the 28th. In these circumstances, he cannot be depended upon to do regular and efficient work. His services may therefore be regarded is transferred back to the Legal Department from 19th April 1943.

Mr. J.H.Mujumdar, the stenographer was engaged as a temporary hand to the end of March i.e. for the period of the Committee's original appointment. He asked to be relieved on 1st April, but I made him stay on for some time. He has now put in his resignation and I do not think it desirable to force an unwilling man to continue longer.

I therefore, propose to make the following arrangements from 10th April, to fill up the vacancies, in anticipation of your sanction.

I shall engage a stenographer and a typist for a fortnight on these weeks in Poona from 10th April. These men will be engaged on a part-time or piece-work basis, as may be found practicable. I have one or two good and reliable men in view. With the help of these the draft report will be typed in Poona.

When the Committee meets in the middle of May for revising the draft, the services of a reporter will be required, for which I shall write to you early in May.

I may say that the arrangements I contemplate will not cost more than what we are spending at present. In view of the extreme urgency of the case, I hope you will sanction these arrangements I shall soon communicate to you the names of the men engaged.

Yours obedient servant,

2. Since section 93 of the Govt. of India Act came into operation two members of the Legislative Assembly Office were doing the Local Rules and orders work. In the beginning Messrs. Lobo and Achrekar were doing the work. But since Mr. Lobo's transfer to H.D.(A.R.P.) the work is being done by Messrs. Achrekar and Damle. All along they were paid from the Legislative Assembly Office grant. But the Accountant General has now raised the question of reducing the cost of the Legislative Assembly and Legislative Council Offices. It will therefore be necessary to debit the cost on account of the pay of Messrs. Achrekar and Damle to L.D. grant with effect from 1st January 1943. Here it may be pointed out that Mr.K. is at present working as a stenographer in the L.D. in place of the Akolkar who has been deputed to our Department to work as a Reporter Vice Mr.Shopurgi. Vol.I consists of 175pages. The second proof of this volume has been checked and the volume sent for final printing.

Vol.II consists of about 400 pages The first proof of this volume has been checked and the press has been asked to send the second proof which is awaited. It will have to be checked and compared.

Vol.III consists of 552 pages. The first of proof is checked which will be returned to the press with a request to send the secon proof. It will have to be checked and compared. There are about 1200 pages more which it is proposed to be divided into two more volumes (IV & V). These pages have to be edited and after editing they will be returned to the Press with a request to send a second proof. Thus in all, in addition to the ~~making~~ editing of about 1200, pages, about 2100 pages have to be checked and compared for the second time.

Besides this there will be about 450 pages of the R.L.A's opinion Digest. The first and second proofs of these pages will have to be checked and compared that means about 900 more pages of the digest will have to be checked and compared. These 900 pages are as good as 1200 the type used being very very small.

Thus taking into account the 1200 pages which have to be edited and taking into consideration the very small type of the digest in all about 4500 pages have to be read and checked. On an average about 250 pages are checked and compared in a week.

2. Please see L.D.U.O.M. 5269 (slip K below). The only question for the consideration is whether the honorarium of Rs.40/- due to Mr.Deshmukh can be deducted by the L.A. office and paid direct to the Bombay Secretariat Co-operative Bank in satisfaction of the debt owing by Mr.Deshmukh to the Bank. Section 24A (1) of the Bombay Co-operative Societies Act, 1925, provides that a member of a society may execute an agreement in favour of the society providing that his employer shall be competent to deduct from the salary or wages payable to him by the employer such amount as may be specified in the agreement and to pay the amount so deducted to the society in satisfation of any debt or other demand owing by the member to the society. The original agreement or a copy thereof is not among the papers. But whatever may be the contents of the agreement with the Society, section 24A of the Bombay Co-operative Societies Act, (inserted by the Bombay Act.XXIX of 1942) applies to all agreements of the nature referred to in sub-section (1) as were in force on the date of the commencement of the Amending Act. It means that so much portion of any agreement in force on the date of the Amending Act as is consistent with sub-section (1) of section 24A will remain operative after that date and becomes enforceable legally. The agreement can become enforceable under the Act only if it satisfies the following requirements.:-

(1) The agreement should have provided that the employer shall be competent to deduct from the salary or wages payable to a member by the employer such amo as has been specified in the agreement.

(2) There should be a requisition in writing by th Society.

(3) Debt or any part of at owing by a member remai unpaid.....

unpaid.

As regards requirement (1) above, firstly in relation to the payment of Rs.40 under consideration, the employer appears to be the Labour Department, Government of India, and not the L.A. L.A. office. secondly assuming for the sake of arugment that the honorarium of Rs.40/- falls either under salary or wages, still it is not payable by the L.A. office. The Labour Department of the Government of India is the payer that it has sanctioned (p.9 ~~of the~~ ante) the amount to four different persons employed in 3 different offices. The L.A.office is simply an agency in the case of Mr. Deshmukh through whom the honorarium is to be paid by the Government of India. In the case of three other persons the agency is different (p.9) In the previous case the salary was payable by the L.A. Office. As regards requirement (2) above, the Bank does not seem to have made a requisition in writing this time. The requisition already made was satisfied. It cannot be said that it still remains effective. As regards requirement (3), it is not known officiall from the society whether the debt remains still unpaid. Probabaly it is not paid; but unless some intimation is received from the society it is not safe to act on our own knowledge. The requirements (1) and (2) can easily be satisfied. If it is throught desirable to call for the original agreement in order to ascertain whether Mr.Deshmukh authorised the L.A. Office to deduct from his salary or wages payable to him by that Office the Bank will have to be requested to forward for persual the original agreement. /9

On last occasion when the office put up a note with regard to the disposal of chobdars of L.A. and L.C. offices, the position was that two chobars were working under Adviser (E). There were only two chobdars left. Since then in the 4th week of May 1943 the two chobdars, who were attached to the Adviser (E) have reverted to this office. Out of 4 chobdars in the Assembly and Council Offices onehas recently retired, one is working in L.A.office and the other two in L.D. The salaries of all these 3 chobdars are drawn in L.A. and L.C. offices. These three chobdars are available for employment in otherDeptts. of the Sectt. Attention in this connection is pl. invited to L.D.U.H. to F.& S.D. No.1725, dated 10-3-43 postponing the proposal of abs rbing the chobdars from L.A. office.

Krishan akir & Gangaram.

Out of the 6 peons one (Sultan) has resigned andone (Shivram) is ondeputation to the F.&S.D.Secy. L.C. and Secy.L.A. nd A.G. are -- entitled to one peon each, and it has been recently decided that there should be two peons for the office. Those means that out of the six peons five will be working in the L.A. and L.C. offices. The remaining one can, therefore, be spared for otherDeptts. In this connection it is pointed out that peon Gaikwad who was working at Secy. L.D's banglaow reverted to L.A. office with effect from the11th April 1943. He is however workingin L.D. under instructions from L.D. and drawing his salary in this office.According to the instruction of A.G. it will be not be possible to draw his pay in L.C. office for a long time unless of course he works in L.D. office L.D may see on this point also.

It will be seen from the above that there are 3 chobdars and 2 peon whose services can belent to other Deptts....

Departments of the Govt. L.D. may consider the question as to how their services should be utilised. They will be required back when the Legislatures function again.

The present strength of the inferior staff of L.D. is 16 and its allotments for personal attendance on officers and for service in the office is as under:-

1.	Secy.	- 3(1 Naik & 2 Peons)
2.	D.S.	-1
3.	A.L.R.	-1
4.	Sol.	-1
5.	C.A.S.	-1
6.	A.S.	-1
7.	Asstt.Solr.	-1
8.	L.A.	-1
	Temporary peon to watch the 3rd Floor stairs.	-1
	Office of 34 members-2	-2
		16.

3. Office has five peons as shown above for a staff of 34. Since then 3 permanent and 4 temporary hands have been sanctioned thus bringing the total to 41 and under Appendix 58, S.O. S.Rs., office will be entitled to 6 peons i.e. one additional peon.

4. Further the Solicitor's work is mostly in the Court ~~and one peon is required to be kept in the Court~~ and one peon is required to be kept in Court and for carrying notices. For this purpose one additional peon is necessary.

5. The want of more peons is also very keenly felt because in the Legal Department the officers and the office are accommodated on different floors.

6. This therefore shows that at least 3 additional peons are necessary and the F.D. may therefore be requested to sanction these as a temporary measure. It may however be stated that L.A. office has 3 Chopdars without work. It will be possible therefore to allow these three to

L.D. as a temporary measure and consider these as increase to L.D's staff.

7. The extra costs to L.D. will be

5 Chopdars @ 31 + 11 = 42 x 5

= 126 p.m.

If F.D. agrees the above staff may be allotted to L.D. with effect from 1st November 1943.

The other day Mr.Antia told me that he should be given another stenographer in lieu of Mr. Randeria who has come from the Office of the Secy., Legislative Assembly through the Legal Department Mr.Randeria is staying for in the Suburbs and, therefore, it is inconvenient to him to sit very often late at night until Mr.Antia leaves office. Mr.Antia also requires a stenographer on most of the holidays including Sundays. Since Mr.Randeria's staying in the suburbs makes it very inconvenient for him to stay late at office Mr.Antia says that Mr.Randeria does not exactly suit him.

2. It is understood that the Legal Depaitment can spare a steongrpaher The scale here is Rs. 120-5-150 p.m. an the dearness allowance. Legal Department may be requested to state whether they would kindly depute some stenographer from its staff to work under Mr.Antia, the Addl.Dir. of Civil Supplies, and take back Mr.Randeria from this Department.

3. It is requested that this matter may kindly be treated as urgent.

It appears from the Establishment Officer, F.D. (Supply'S) u.o note, that Mr.Nanderia, posted to work under Mr.Antia in the F.D.(Supply) is unable to sit very late at night and also is very much inconvenienced to attend office on most of the holidays including Sundays. In these circumstances the Estt. Officer requests that Mr.Nanderia be replaced by another Stenographer whose scale of pay would be Rs.120-5-150 pm.

The L.A. and L.C. offices have been reduced to barest minimum on account of the ouspension of the constitution. The surplus staff is to be utilised in the different departments of the Secott. Accordingly Mr.Nanderia's Services wereplaced at the disposal of the F.D.(Supply) since 8th August 1945 by the L.D. The distribution of the remaining 3 regional language reporters is a s follows:-

Mr.Risbud (F.D.(supply)
Mr. Ka,ghatgi Rationing Office.
Mr. Nur Muhammad the only man kept for typing work of the L.a. Office.

Under the present circumstances the services of the surplus staff of this office has to be utilised in other Departments, of the Secretariat. There is no reporter in this office who can relieve Mr.Nanderia. It is no use reverting Mr.N. in this office. By merely reverting him to this office the problem will not be solved. This office will have agin to approach P & S.D. to find out a place for him in otheroffices. If Mr.Nanderia is unsuitable for utilise his services in the clorical line either in that Deptt. or Rationing office just as it has taken Mr.Kalghatgi in the Rationing Office as an Assistant. L.D. may, therefore, berequested to consider this point and arrange to retain Mr.N. in F.D.(Supply) or in any other offices in the clorical line as an Asstt.
